

## Tip 1: One-Piece Reels for Air & Multipurpose Hose

### Features:

Did you know that 90-95% of our Air & Multipurpose Hoses from the Mt Pleasant plant come in One Piece Exact length 500' Reels up to 3/4" and 450' for 1"? Of the small percentage that happen have multiple pieces, these are all in 50 ft increments with a maximum of 3 pieces per reel.

### Benefits:

\$0 lost due to scrap from excess or short lengths. This is a benefit for both our distributors and end users who also buy in bulk. Furthermore, several of our competitive air hose manufactures supply random 500' – 750' reel lengths which can lead to confusion at both the distributor and end-user due to unknown quantity at time of ordering.
