

Tip 10: Reel Recycling Program / Reel-Core, Inc.

Did you know that ContiTech offers a reel recycling program through Reel-Core, Inc.? Reel-Core accepts reels from any distributor/end-user that has purchased product shipped on Reel-Core manufactured reels.

Contact Reel-Core and arrange for a freight carrier to pick up at no cost:

Call Reel-Core at 563-568-6307 or toll-free at 800-293-6307

Email Mike at mike@reelcore.com

Simply follow these guidelines:

- All reels must be returned disassembled and packaged as densely as possible.
- Reels ship best if boxed and shrink-wrapped on a pallet.
- Provide the total shipment weight and number of pallets when you call to arrange a pick up.
- Reel-Core will fax a Bill of Lading for the shipment.
- The minimum return quantity is 4 pallets of broken down reels.
- Reel-Core will process the return shipment within 45 days of receipt.
- **Reel-Core offers a \$1 per reel recycling rebate for all returned plastic reels that qualify:**
 - Black in color and of current design. (All RCI reels will be accepted for processing.)
 - Reels must be clean, i.e., no water held inside the reel or other contaminants; and undamaged.
 - Reels must be original Reel-Core reels.
- Reel-Core reserves the right to refuse payment at its discretion.
