

Tip 13: Flexsteel® 250 ORS Steam Hose

Did you know that ContiTech offers a Steam Hose with a mild oil resistant cover?

Flexsteel® 250 ORS Steam Hose

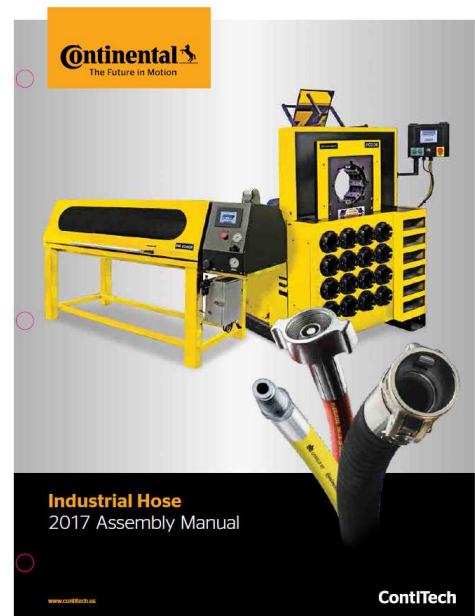

APPLICATIONS:

The Flexsteel® 250 ORS Steam Hose offers all the performance features of the Flexsteel® 250 Steam with the added benefit of an **ARPM Class B (Medium Oil Resistance) cover**. Excellent for steam hose applications where the cover may be exposed to oil intermittently. Applications include cleaning, heat control, fire prevention, pumping, thawing, blow-out service, steam pumps and hoists in open-end or permanent installation operations. It is used in refineries, shipyards, chemical plants, steel mills, foundries and heavy industrial applications where high strength is required and where severe environmental conditions are encountered.

Available Sizes:

- 1/2"
- **3/4"**
- 1"
