

## Tip 20: Ready 2 Go Hose Coupled Hose Program

Did you know that we have **Ready 2 Go (R2G) Displays** in Stock and ready to ship to our distributors. The R2G displays are ideal for increased visibility to walk-in counter service as well as serve as a reminder to distributor sales teams as to the ContiTech assemblies available.

### **DidYouKnow**

- Brighten your lobbies with the R2G Display
- R2G display holds approx. 18 hoses
- 37 different hose families are available in this program
- Display distributor in house built assemblies or display ContiTech R2G Hoses
- Customized Title Cards to match the product and change as needed to meet seasonal products
- [Download](#) our Ready 2 Go Brochure or order Today through GBS to complement these coupled assemblies

### **2018 Pricing:**

- \$1,000 NET per R2G display
- 50% off the price of the display on each accompanying order:
  - Exceeding \$2,000 of R2G assemblies
  - or
  - \$10,000 of full reeled hoses
- [Click here](#) to download updated R2G assemble pricing

### **R2G Display Specs:**

- **SAP # 20805958**
- 80 lbs. shipping weight (unassembled)
- Assembled dimensions: 73”H x 31”W x 19”D
