

## Tip # 26: Fitting Request Forms

### DID YOU KNOW... that there is a form available that jump starts the new product creation process for fittings?

Found on SalesForce, or available from your friendly neighborhood Hydraulic Sales Specialist (HSS) or Hydraulics Product and Channel Managers – the [FITTING REQUEST FORM](#) allows you to ask the right questions that provide our fitting engineers the information they need to design new fittings for the market.

Our engineers use this form as their formal request to begin work on any new fitting! Simply fill it out and return to any of the aforementioned managers...OR...

...use the link found on SF.com to submit your idea. Notify the HYD Product or Channel Managers once you are done to facilitate processing.

Continental ContiTech	
<b>Fitting Request Form</b>	
Form I.D. Number: _____	
Requestor Name:	_____
Requestor Phone:	_____
Email Address:	_____
Request Date:	_____
<b>Hose Information</b>	
Hose type compatibility	_____
Hose application	_____
Hose size	_____
