

## Tip # 57 Suction & Discharge Landscaping Hoses

Did you know that Continental offers an entire line of suction & discharge style TPE hoses to meet your landscaping needs?

### **Light Duty**

**Grass Vacuum:** A lightweight and flexible PVC hose for yard waste clean-up

**Air Seeder:** A light weight flexible PVC hose for seeding applications

### **Medium Duty**

**Mulch Blower Black:** A standard flexible PVC hose for mulch blowing applications

**Spirathane LD:** A lightweight and flexible, abrasion resistant TPU hose

### **Premium Duty**

**Mulch Blower Yellow:** A premium flexible PVC hose with superior abrasion resistance

**Bark Blower Gray:** A heavy duty PVC hose, thicker than the mulch blower hoses

**Spirathane PT:** A heavy duty hybrid hose with an abrasion resistant TPU liner & static wire
